

BANGLADESH

Bangladesh is a country in South Asia. It is almost completely surrounded by India.

CLIMATE

Bangladesh has a subtropical monsoon climate which means it has a hot, humid summer and generally mild to cool winters. Heavy rainfall during the wet season from May till October causes large areas of Bangladesh to flood.

FOOD

Rice is the main food. Spicy food is preferred and often marinated chopped onions and spices.

SPORTS

Kabaddi is the national sport of Bangladesh which is a team tag game.
