

Creating a Questionnaire

Creating a questionnaire involves:

1. Thinking of topics you want to know about
2. Breaking down topics into specific questions
3. Phrasing questions
4. Thinking of follow-up questions
5. Deciding what order you want to ask your questions

List three topics you want to explore:

- 1.
- 2.
- 3.

Break one topic into 5 specific questions.

- 1.
- 2.
- 3.
- 4.
- 5.

Phrase each question as an open-ended question

- 1.
- 2.

3.

4.

5.

Write a follow-up question for each question

1.

2.

3.

4.

5.

Put your questions in the order you think you should ask them.

1.

2.

3.

4.

5.
