SYEDPUR TO SUNDERLAND
AN INTERGENERATIONAL JOURNEY

Bangladesh National Zoo, Dhaka

This is the most famous entertainment place of Dhaka city with area of 230 acres. The Zoo contains many native and non-native animals, it has more than 1,500 birds from 90 species, and visitors can expect to see peacocks, rhea, African grey parrots, cassowary, owls, ostrich, emus, teals, finches, babblers, owls, vultures, eagles and too many others to mention. Visitors are always fascinated by the crocodiles and snakes at Dhaka Zoo or Bangladesh National Zoo. A museum is also located here which provides many informative displays relating to the animals as well as the history of the zoo.
